

*LaVerne*

*You walked in beauty as a girl  
Angelic face, and form divine,  
Your goodness shining through.*

*How to compare?  
An apple blossom spray?  
A lilac scent?  
A rosebud flecked with dew?*

*The years rolled on,  
The beauty stayed,  
You graced the sphere  
Of womankind, anew.*

*An envious rival brought you down,  
But lo! That radiant beauty  
Of body, mind, and soul  
Stays with us still.  
To us, you're ever dear!*
